

## ROOSEVELT WILL CARRY HIS HAT TO BORDER STATES

After Day's Rest He'll Start  
for Maryland, West Vir-  
ginia and Kentucky.

Col. Roosevelt is resting up at his home in Oyster Bay to-day, preparing for a short trip through Kentucky, West Virginia and Maryland, starting to-morrow night. He says he may make one important speech in Baltimore. It is also probable the trip will be extended and two days be spent in Pennsylvania. To-day he will have several political callers, but would not tell their names in advance.

"I am a better fighter than I am a prophet," he said regarding his West-coast trip, from which he returned last night. He added:

"I make no predictions as to what will happen, but it was an eminently practical trip. I made the same comment upon my return from the Maine trip and the results of the Portland primaries show that I was right."

On his way from Albany to New York Mr. Roosevelt dictated a statement regarding some recent primaries, the attitude of President Taft toward them and attached the position which he says some newspapers took in regard to the matter. The statement was in part:

"Owing to the suppression of news by the majority of the New York newspapers and the deliberate closing of the channels of information to the public, people in New York do not realize how deeply stirred the country has been by the infancy of the so-called primaries on Tuesday last in this city. It was an infamy unmatched even by the kindred infamies perpetrated on behalf of Mr. Taft in Indianapolis and Denver. It is probably inevitable that we shall see such infamies repeated as long as our people tolerate the alliance between crooked politics and crooked business. By every species of fraud imaginable, the men who had Mr. Taft's interests in New York in their keeping, in the most

barren manner, cheated the people out of their right to an honest vote. Such a result in no shape or way represents the Republican party, and in no shape or way binds the Republican party, and the man elected by these fraudulent primaries cannot, if they are honorable men, consent to take their seats in the Chicago Convention.

### STRIKE ON GRAND TRUNK.

DURAND, Mich., April 1.—A general strike has been declared by the switchmen of the Grand Trunk Railroad to go into effect this morning, unless the company withdraws its order to take off the third man from the switch trains. The action was secretly taken yesterday and the men are now awaiting word from the Grievance Committee, at present in Montreal.

### There's trouble ahead

When your eyes ache after a little reading or close work, a step taken in the right direction—to one of the Harris eyeglass offices—may save you much eye discomfort.

Remedying eyesight troubles is our hobby.

We would be delighted to talk them over with you. If you don't need glasses we will gladly tell you so. If you do, we furnish glasses for as little as \$2.00 and guarantee perfect satisfaction or your money back.

We say a "CALDWELL" advisedly, for, really, when it comes to the UTMOST VALUE IN A PIANO at \$185, we know of nothing in the market to approach it.

In fact, it isn't too much to say that there is no other piano at anything like the price which possesses so high musical quality and such excellence of mechanism and finish.
